

**Teacher EXCHANGE®**  
A GREEN INITIATIVE OF THE PUBLIC EDUCATION FOUNDATION

**The Public Education Foundation invites you to shop at the Teacher EXCHANGE®, a re-use, repurpose and surplus resource center for all Clark County School District public school teachers, nurses and counselors.**

Donations of re-usable materials, new and used supplies, surplus materials and office equipment are collected and provided to teachers to enhance classroom instruction. *All licensed and contracted teachers in the Clark County Public School District are eligible for this program.*

**Back to school shopping hours through August 12, 2017:  
Tuesday, Wednesday, Thursday and Saturdays  
9 A.M. to 3 P.M.  
Bring your current CCSD badge. Teachers only please.  
You must be checked in 30 minutes prior to closing.**

Visit the Teacher EXCHANGE to register for your membership. Members shop at the Teacher EXCHANGE with points. 500 points are available for each \$25 donation to The Public Education Foundation. The 500 points allow members to pick up supplies and materials for their classroom worth hundreds of dollar. A new member will also receive a bonus 100 points after their initial \$25 donation. Donations help offset operational expenses and ensure the longevity of the Teacher EXCHANGE. Members have 12 months to redeem their points.

*Celebrating 15 years of service to  
Southern Nevada public school teachers!*

**We are located across from UNLV at:  
4350 South Maryland Parkway  
Las Vegas, NV 89119
